### INSTRUCTIONS

Start and finish is at the triangle (S),  
(Brooklands Zoo carpark).  
Time limit is 90 minutes.  
20 point per min penalty for late return.  
See clue sheet for points system.  
The 100 point posts are harder to find.

Orange colour is open land, white is  
undergrowth.  
Bright/olive green is out of bounds.  
Please DO NOT walk through the formal  
gardens.  
Groups must stay together.  
Choose your own route to get as many  
controls as you can, in any order, in the  
time limit.

All controls are green posts with white  
number on top.

Record the 2 letters on the orange/white  
orienteeing tags cut into the side or back  
of the posts (see photo).

A few posts have no orienteeing tag,  
please be honest if you go to those posts.

Example of posts with  
orienteeing tag on side.

Record the 2 letters from the tag  
on your clue sheet
